VISIT RALTRON DURING ELECTRONICA 2010 AT BOOTH B6-308

Be With Us at Electronica in Munich, Germany November 9th – 12th

Raltron Electronics Corp., Miami, FL is pleased to invite all Customers, Distributors and Sales Representatives as well as the members of the Press to visit its booth at Electronica Munich 2010.

During this important show Raltron will introduce its new products:

- ⊕ Low profile GPS disciplined Clock Synchronization Modules for Wireless applications.
- ⊕ Low jitter surface mount clock oscillators and VCXOs.
- ⊕ Low Phase Noise 5x7mm Stratum 3 compatible TCXO family.

Our applications engineering staff will be present throughout the show duration to answer direct technical questions related to these new product families.

Raltron will welcome inquiries about Representation and Distribution of its products in selected territories.
